Snow's Tail Wagging Heart

A Tribute Song

Intro - ukulele, glockenspiel

Verse 1

A tiny paw, a fluffy face,
You filled our home with so much grace.
Into the kitchen, you would creep,
"Snow, get your butt out!" secrets you'd keep.

Chorus

Oh, Snow, our sweet Snow Burse Garcia,
Fifteen years, a joyful fantasia.
Your wagging tail, a precious art,
Forever etched within my heart.

Verse 2

Each day I'd walk back through the door,
You'd meet me waiting on the floor.
With happy barks and joyful leaps,
A loving promise that you'd keep.

Chorus

Oh, Snow, our sweet Snow Burse Garcia,
Fifteen years, a joyful fantasia.
Your wagging tail, a precious art,
Forever etched within my heart.

Bridge

Until we meet again, my Snow,
How much I miss you, you must know.
A silent whisper to the sky,

Snow's Tail Wagging Heart (continued)

My dearest friend, we'll never say goodbye.

Instrumental - acoustic guitar, flute

Final Chorus

Oh, Snow, our sweet Snow Burse Garcia,
Fifteen years, a joyful fantasia.
Your wagging tail, a precious art,
Forever etched within my heart.

Outro

Now running free, no pain or sorrow,
Playing with angels, bright as tomorrow.
With other dogs, a joyful sound,
Sweet Snow, forever heaven-bound.

Outro - ukulele fade
