Mya's Golden Meadow

A Tribute Song

Intro - piano, strings

Verse 1

A Labrashepherd's heart, so true and bold
A story of devotion, waiting to unfold
I'd hear your excitement barks, a joyful sound
As a welcome home mom gift, a toy was always found
You'd weave between my legs, a soft embrace
Looking up with love, on your sweet face
A silent 'hi mom, missed you,' clear as day
Chasing all the worries far away

Chorus

Oh, Mya, my dear girl, my guiding star
Eleven beautiful years, no matter how far
Your love was a beacon, shining bright and true
A precious gift, the joy of loving you

Verse 2

Morning light would bring your loud aroo
A happy scream for grand-folks, shining through
Full of life, a dance of pure delight
Chasing shadows, bathed in morning light
Your playful spirit, wild and free
A happy, loyal friend, you were to me
With every wagging tail, a cheerful sign
A bond like ours, eternally divine

Chorus

Oh, Mya, my dear girl, my guiding star
Eleven beautiful years, no matter how far

Mya's Golden Meadow (continued)

Your love was a beacon, shining bright and true
A precious gift, the joy of loving you

Bridge

This isn't goodbye, sweetheart, just 'see you again'
Thank you for being here, when I needed you then
Be free now, no more pain, no more restless plight
My best daughter, bathed in endless light
I'll whisper to you daily, across the air
Hoping my heart's echoes show you that I care

Instrumental - strings, oboe

Final Chorus

Oh, Mya, my dear girl, my guiding star
Eleven beautiful years, no matter how far
Your love was a beacon, shining bright and true
A precious gift, the joy of loving you

Outro

Now running free, without a single trace of pain
Sunbathing in tall grass, after a gentle rain
Surrounded by your toys, where fetch is always near
Resting peacefully, my sweet girl, without a fear
I love you Mya, always, hear my plea
Until that day, when I come home to thee

Outro - strings fade

Forever in our hearts
