Dexter's Quiet Hour

A Tribute Song

Intro - piano, synth pad

Verse 1

A click clack of your nails upon the living room floor
A soft husky yawn, a welcome I adored
That cushion as a present, delivered to my feet
The simplest of mornings, always bittersweet

Chorus

Oh, Dexter, my dear boy, for twelve years and two months through
My world was always brighter, because I had you
Your paw print on my heart, forever etched so deep
A silent, loving promise, I will always keep

Verse 2

When the house grew quiet, everybody in their bed
After our last walk, unspoken words were said
Nine PM, our special hour, a secret just for two
Whispering dreams together, just me and you

Chorus

Oh, Dexter, my dear boy, for twelve years and two months through
My world was always brighter, because I had you
Your paw print on my heart, forever etched so deep
A silent, loving promise, I will always keep

Bridge

My beautiful boy, you're free from all the pain
Thank you for being there, through sunshine and through rain
I love you so much, my constant, faithful friend

Dexter's Quiet Hour (continued)

Final Chorus

Oh, Dexter, my dear boy, for twelve years and two months through
My world was always brighter, because I had you
Your paw print on my heart, forever etched so deep
A silent, loving promise, I will always keep

Outro

Now I see you running, on Lytham's golden sand
With Bradley and with Bella, a joyful, happy band
Chasing sunlit waves, forever young and bright
Sleeping peacefully now, bathed in endless light
