Sting, My Golden Whisper

A Tribute Song

Intro - piano, synth pad

Verse 1

A wild spirit, a husky so free,
You kept escaping, drawn right to me.
From another home, you chose our door,
Until your first owner couldn't ask for more.
You found your family, a bond so true,
With eyes of wonder, shining through.
A path you followed, guided by grace,
Finding your own rightful place.

Chorus

Oh, Sting, my dear, my loyal friend,
Four precious years until the end.
A love so deep, a heart so bold,
A story whispered, never old.

Verse 2

Each day returning, a joyful sound,
You'd greet me gladly, paws on the ground.
With stuffed animals and balls, you'd play,
Then snuggle close at the close of the day.
Pizza from trash, a secret delight,
Hidden bags in your house, out of sight.
Little treats buried, found here and there,
A playful mischief beyond compare.

Chorus

Oh, Sting, my dear, my loyal friend,
Four precious years until the end.

Sting, My Golden Whisper (continued)

A love so deep, a heart so bold,
A story whispered, never old.

Bridge

Run the streets of Gold, my sweet boy,
Until we meet again, bringing such joy.
I will always love you, forever true,
You will always be in my heart, through and through.

Instrumental - strings, piano

Final Chorus

Oh, Sting, my dear, my loyal friend,
Four precious years until the end.
A love so deep, a heart so bold,
A story whispered, never old.

Outro

Now running free, pain-free and bright,
On streets of Gold, bathed in pure light.
No more old eyes on toys, just freedom's sweet call,
Eating all pizza, standing strong and tall.
Hiding treats still, for later to find,
Chasing chickens and rabbits, leaving cares behind.
Waiting to greet me, beyond the pearly gate,
My golden whisper, sealed by fate.

Outro - piano fade

Forever in our hearts
