

Remembering Ollie

Custom Pet Memorial Songs

Torah's Sunshine Creek

A Tribute Song

Intro - acoustic guitar

Verse 1

The morning sun would softly gleam
You'd wait beside me, like a dream
So quiet, patient, by my bed
For loving words that I would shed
A Staffy heart, so true and deep
A silent promise I would keep
To whisper "hop up," light and free
The sweetest friend you were to me

Chorus

Oh, Torah, my dear, it's true
Twelve wonderful years I spent with you
My soul mate through and through you'll be
Forever etched in memory

Verse 2

The day would end, the key would turn
A happy lesson I would learn
Your wagging tail, a blur of joy
No better welcome to enjoy
You'd greet me at the door with glee
So happy, just to be with me
A loyal friend, so full of grace
A smile always upon your face

Chorus

Oh, Torah, my dear, it's true
Twelve wonderful years I spent with you

Torah's Sunshine Creek (continued)

My soul mate through and through you'll be
Forever etched in memory

Bridge

You were such a beautiful girl to me
A soul mate, wild and free
So lucky for the memories we made
A love that never truly fades
Go chase those rabbits, swift and grand
Across the fields of a new land

Instrumental - harmonica, acoustic guitar

Final Chorus

Oh, Torah, my dear, it's true
Twelve wonderful years I spent with you
My soul mate through and through you'll be
Forever etched in memory

Outro

Now by the creek, the sun so bright
You warm your belly in the golden light
A peaceful sleep, a gentle rest
My beautiful girl, always the best

Outro - guitar fade

Forever in our hearts
