Annie's Gentle Whisper

A Tribute Song

Intro - piano, synth pads

Verse 1

When I walked through the door at the end of the day,
A little Pom dance would light up my way.
With happy barks, you would softly impart,
A welcome that spoke straight to my heart.
Your fluffy tail wagging, a joyful sound,
The sweetest hello could always be found.
Each evening arrival, a moment so true,
Filled with the love that only was you.

Chorus

Oh, Annie, dear Annie, my sweet little friend,
Nine precious years, a love without end.
Your spirit still shines, a comforting gleam,
You live on forever, a beautiful dream.

Verse 2

The leash in my hand, a look in your eye,
For our daily walk, beneath the blue sky.
Then home we would come, your treat you would get,
A happy small moment we'd never forget.
We'd sit side by side, in a quiet embrace,
Contentment so pure, upon your sweet face.
Those gentle routines, so simple and deep,
Treasured forever, secrets we'll keep.

Chorus

Oh, Annie, dear Annie, my sweet little friend,
Nine precious years, a love without end.

Annie's Gentle Whisper (continued)

Your spirit still shines, a comforting gleam,
You live on forever, a beautiful dream.

Bridge

The quiet now echoes, where your paws used to tread,
A whisper of comfort, inside my head.
To soothe all the hurt, the missing so deep,
Your memory, Annie, my heart will still keep.

Instrumental - piano, glockenspiel

Final Chorus

Oh, Annie, dear Annie, my sweet little friend,
Nine precious years, a love without end.
Your spirit still shines, a comforting gleam,
You live on forever, a beautiful dream.

Outro

Now watching from heavens, for me and for Kat,
Your spirit is soaring, where true angels sat.
Awaiting the day, we'll all be together again,
Sleeping so peacefully, beyond all the pain.

Outro - synth pads fade
