Rhino's Everlasting Watch

A Tribute Song

Intro - grand piano, strings

Verse 1

The day you came, a wondrous sight,
A beautiful baby boy, so pure and bright.
A Xolo spirit, ancient and true,
My heart knew then, I belonged to you.

Chorus

Oh, Rhino, my dear, after sixteen long years,
You carried my laughter, you quieted my fears.
A love like a river, forever it flows,
My sweet boy, my constant, as everyone knows.

Verse 2

Through every season, you stayed by my side,
My loyal companion, my comfort, my guide.
A warm, gentle presence, a shadow so dear,
Your quiet devotion erased every tear.

Chorus

Oh, Rhino, my dear, after sixteen long years,
You carried my laughter, you quieted my fears.
A love like a river, forever it flows,
My sweet boy, my constant, as everyone knows.

Verse 3

The quiet moments, a peaceful embrace,
You filled my life with such tender grace.
A knowing glance, a soft, gentle sigh,

Rhino's Everlasting Watch (continued)

Our spirits entwined, beneath every sky.

Bridge

If I could whisper just one last refrain,
To ease the ache, to soothe the deep pain.
You will ALWAYS be my sweet baby boy,
My enduring treasure, my lasting joy.

Instrumental - strings, harp

Final Chorus

Oh, Rhino, my dear, after sixteen long years,
You carried my laughter, you quieted my fears.
A love like a river, forever it flows,
My sweet boy, my constant, as everyone knows.

Outro

Now in the starlight, you softly reside,
A guardian angel, watching with pride.
Rest easy, sweet spirit, free and serene,
My beautiful Rhino, my forever dream.

Outro - strings fade
