Timmy's Loving Eyes

A Tribute Song

Intro

Piano, Cello

Verse 1

Tiny paws, a gentle sigh
A Havanese, beneath the sky
Your big brown eyes, a soulful gleam
Like a quiet, comforting dream
You'd snuggle close, a warming presence
A little heart, pure innocence
Right from the start, a tender bond
My dearest friend, forever fond

Chorus

Oh Timmy, sweet Timmy, my loyal friend
Ten cherished years, until the end
Your love a light, that softly glows
A quiet peace, my spirit knows

Verse 2

Then midday came, a burst of glee
Your little zoomies, wild and free
A playful spirit, light and fast
Those happy moments, built to last
When evening fell, the day grew dim
You'd curl up close, right next to me
Your sleepy purr, a gentle sound
The safest place, I ever found

Chorus

Timmy's Loving Eyes (continued)

Oh Timmy, sweet Timmy, my loyal friend
Ten cherished years, until the end
Your love a light, that softly glows
A quiet peace, my spirit knows

Bridge

You whispered softly, in my ear
That life with me, was held so dear
My heart holds you, a special place
Forever etched, your loving grace

Instrumental

Flute, Cello

Final Chorus

Oh Timmy, sweet Timmy, my loyal friend
Ten cherished years, until the end
Your love a light, that softly glows
A quiet peace, my spirit knows

Outro

Now running free, with joy and light
No pain or sorrow, morning, noon or night
Searching for biscuits, in the sun
Then curled up sweetly, when day is done
Dreaming peacefully, upon the grass

Outro - piano fade
