Muffles' Gentle Smile

A Tribute Song

Intro - piano, synth pad

Verse 1

His little face, so white and bright
A sweet Maltese, a guiding light
You'd gaze up with your gentle stare
Chasing away every worry and care
A quiet joy in every glance
You taught my heart a gentle dance
To see you smile, my daily quest
You truly were the very best

Chorus

Oh Muffles, my dear, for eleven years long
You filled our home with your happy song
A precious love, a bond so deep
Secrets we shared while the world would sleep

Verse 2

Each moment with you, a treasure so rare
A tiny shadow beyond compare
Your little body, a warmth I still feel
Your loyal heart, so true and so real
I see you now in the golden sun's gleam
Living out every peaceful dream
No heavy breath, no struggle or strain
Just quiet comfort, washing away pain

Chorus

Oh Muffles, my dear, for eleven years long
You filled our home with your happy song

Muffles' Gentle Smile (continued)

A precious love, a bond so deep
Secrets we shared while the world would sleep

Bridge

Though silence now fills empty spaces
I carry your love in countless places
A whisper on the wind, so true
"Love you, bubbaboo," I miss you

Instrumental - delicate bells, piano

Final Chorus

Oh Muffles, my dear, for eleven years long
You filled our home with your happy song
A precious love, a bond so deep
Secrets we shared while the world would sleep

Outro

You're resting now, where sunbeams play
Dreaming softly through the day
No weary sighs, just peace untold
A gentle story, bravely told

Outro - piano fade

Forever in our hearts
