Roxy's Rainbow Sleep

A Tribute Song

Intro - Piano, Harp

Verse 1

I remember our first steps on the sand
Your little paws, a joy across the land
Splish-splashing through the water, free and bold
Chasing birds, a story to be told
Then curling up so close as evening fell
My shadow always there, casting a spell

Chorus

Oh Roxy, my sweet baby, thirteen years with you
A love so pure, so loyal, ever true
In every gentle whisper, in every quiet sigh
My heart remembers you beneath the sky

Verse 2

The morning cuddles, a loving, soft embrace
A wiggly behind, always at your pace
Running to the door, your stuffed baby in tow
With belly rubs, our special love would grow
You'd watch me patiently, a silent, knowing gaze
Forever in my heart, through all my days

Chorus

Oh Roxy, my sweet baby, thirteen years with you
A love so pure, so loyal, ever true
In every gentle whisper, in every quiet sigh
My heart remembers you beneath the sky

Bridge

Roxy's Rainbow Sleep (continued)

I love you and I miss you beyond words, it's true
Wait for me, baby bear, I'm coming to you
Then we'll be together, forever and a day
Across the rainbow bridge, we'll find our way

Instrumental - Piano, Harp

Final Chorus

Oh Roxy, my sweet baby, thirteen years with you
A love so pure, so loyal, ever true
In every gentle whisper, in every quiet sigh
My heart remembers you beneath the sky

Outro

Now sleeping on a cloud, with colors bright and deep
A rainbow softly arches, as your gentle soul does sleep
Lifting your sweet head, with love in every glance
Waiting for my crossing, our eternal dance

Piano fade

Forever in our hearts
