# Beau's Endless Lake Day

*A Tribute Song*

---

**Intro - acoustic guitar, harmonica**

**Verse 1**

When first we met, my buddy true,  
There was no telling what you'd do.  
A little friend, with eyes so bright,  
You'd sing along with pure delight.  
The harmonica's sweet, gentle sound,  
Made melodies you'd spin around.  
My best buddy, a joyful start,  
You captured every piece of my heart.

**Chorus**

Oh, Beau, for ten wonderful years we knew,  
Every single day was bright with you.  
A wagging tail, a happy bark,  
Leaving sunshine in the dark.  
Beau, our love will always stay,  
You filled our lives with endless play.

**Verse 2**

I remember well that special day,  
When Haley met you, come what may.  
You found your girl, a happy pair,  
A bond of love beyond compare.  
And oh, the joy of water clear,  
Swimming in the lake, year after year.  
No greater thrill, no sweeter dive,  
You truly came so fully alive.

**Chorus**

*Beau's Endless Lake Day (continued)*

Oh, Beau, for ten wonderful years we knew,  
Every single day was bright with you.  
A wagging tail, a happy bark,  
Leaving sunshine in the dark.  
Beau, our love will always stay,  
You filled our lives with endless play.

**Verse 3**

Through sunlit fields, you'd bound and play,  
Making brighter every single day.  
With curious nose, and eager stride,  
Always joyful, by my side.  
Your happy spirit, strong and free,  
A constant, joyful company.  
You taught me lessons, pure and deep,  
Sweet memories my heart will keep.

**Chorus**

Oh, Beau, for ten wonderful years we knew,  
Every single day was bright with you.  
A wagging tail, a happy bark,  
Leaving sunshine in the dark.  
Beau, our love will always stay,  
You filled our lives with endless play.

**Verse 4**

With joyful leaps, you'd make your dash,  
A frisbee soaring, in a flash.  
The lake would beckon, cool and wide,  
With every splash, you'd beam with pride.  
A perfect moment, pure and free,  
Just Beau and me, for all to see.

**Chorus**

Oh, Beau, for ten wonderful years we knew,  
Every single day was bright with you.  
A wagging tail, a happy bark,  
Leaving sunshine in the dark.  
Beau, our love will always stay,  
You filled our lives with endless play.

**Bridge**

I whisper now, a memory deep and true,  
Of sunny days, and chasing geese with you.

*Beau's Endless Lake Day (continued)*

Every day, you'd run so free,  
A joyful spirit for all to see.

**Harmonica Solo**

**Final Chorus**

Oh, Beau, for ten wonderful years we knew,  
Every single day was bright with you.  
A wagging tail, a happy bark,  
Leaving sunshine in the dark.  
Beau, our love will always stay,  
You filled our lives with endless play.

**Outro**

Now running free, by the lake so wide,  
Catching your Frisbee, with nothing to hide.  
A perfect swim, a happy sound,  
Beau's spirit forever will be around.

**Outro - guitar fade**

*Forever in our hearts*
