Cadbury's Happy Heart

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

A tiny shadow, waiting by the door
Happy to greet me, wanting nothing more
A little Yorkie, with a joyful bark
A shining beacon, lighting up the dark

Chorus

Oh, Cadbury, my sweet and loyal friend
Fifteen years, until the very end
Your happy heart, a love so pure and true
Forever grateful, for every day with you

Verse 2

Morning and evening, for your favorite treat
Excited for bedtime, can't be beat
On your soft pillow, right beside my head
Those nightly sleeps, the loving words we said

Chorus

Oh, Cadbury, my sweet and loyal friend
Fifteen years, until the very end
Your happy heart, a love so pure and true
Forever grateful, for every day with you

Bridge

Run, jump, climb, and bark with joy, buddy, free and bold
A story of love, forever to be told
I know you're the love of the room, shining bright above

Cadbury's Happy Heart (continued)

Surrounded by warmth, and endless, perfect love

Instrumental - banjo, acoustic guitar

Final Chorus

Oh, Cadbury, my sweet and loyal friend
Fifteen years, until the very end
Your happy heart, a love so pure and true
Forever grateful, for every day with you

Outro

Your compassion, loyalty, love beyond compare
A precious gift, a bond we used to share
Now you're sleeping peacefully, in eternal light
Running free and joyful, beyond the fading night

Outro - guitar fade

Forever in our hearts
