

Remembering Ollie

Custom Pet Memorial Songs

Kat's Gentle Breeze

A Tribute Song

Intro - piano, strings

Verse 1

A tiny heart, a spirit bright
My sweet Pomeranian, pure delight
In the car, a special view
Perched upon my neck, just you
Watching the world go rushing past
A precious memory built to last
My little shadow, always near
Chasing away every single fear

Chorus

Oh, Kat, my sweet and faithful friend
Eleven years, right to the end
A love so true, a bond so deep
Secrets that our hearts will keep

Verse 2

Sunrise crept across the room
Chasing shadows, easing gloom
A gentle nudge, a sleepy start
Licks upon my waking heart
Six AM, your sweet demand
To cuddle close, paw in my hand
A morning ritual, soft and warm
Shelter from the coming storm

Chorus

Oh, Kat, my sweet and faithful friend
Eleven years, right to the end

Kat's Gentle Breeze (continued)

A love so true, a bond so deep
Secrets that our hearts will keep

Bridge

You were the best friend, I truly knew
My dearest companion, loyal and true
Forgive me for the roads not taken, dear
And for the sorrow that brought you here

Instrumental - acoustic guitar, piano

Final Chorus

Oh, Kat, my sweet and faithful friend
Eleven years, right to the end
A love so true, a bond so deep
Secrets that our hearts will keep

Outro

Now you rest, a peaceful sleep
In sunlit grass, your secrets keep
Head held high, your eyes so still
The gentle breeze upon the hill
A quiet peace, a soft embrace
Leaving comfort in your trace

Outro - piano fade

Forever in our hearts
