Maxi Pooh's New Horizon

A Tribute Song

Intro - piano, strings

Verse 1

A tiny shadow, always near,
You chased away every fear.
Upon the footrest, you would leap,
A promise of love you'd always keep.
Then on my foot, you'd find your place,
A gentle warmth, a sweet embrace.
To scratch the door, a tiny paw,
My faithful friend, defying all.

Chorus

Oh, Maxi Pooh, my sweet boy, so true,
Thirteen years, almost five months, I spent with you.
My heart still aches, a tender plea,
For the loyal love you gave to me.

Verse 2

Between my legs, a comfy spot,
A special bond, a love we got.
Outside the shower, you would wait,
Never once would you hesitate.
In the kitchen, at my feet you'd lie,
My constant friend, beneath the sky.
Everywhere I'd go, you'd be right there,
A Mommy's sweet boy, beyond compare.

Chorus

Oh, Maxi Pooh, my sweet boy, so true,
Thirteen years, almost five months, I spent with you.

Maxi Pooh's New Horizon (continued)

My heart still aches, a tender plea,
For the loyal love you gave to me.

Bridge

I'm so sorry, Mommy couldn't fix or pray you back, it's true,
You were in pain, so tired, a journey through.
Now with new legs, new body, you're finally free,
Not forgotten, forever in my heart you'll be.
Thank you for always being by my side, so grand,
Your unconditional love, paw in hand.

Instrumental - strings, oboe

Final Chorus

Oh, Maxi Pooh, my sweet boy, so true,
Thirteen years, almost five months, I spent with you.
My heart still aches, a tender plea,
For the loyal love you gave to me.

Outro

With brand new legs, you leap and fly,
Beneath a boundless, joyful sky.
With sisters, brother, friends so new,
Running free, just being you.
Until we meet again, my sweet,
Run, jump and play, your life complete.
Rest in peace, my loyal heart,
Forever loved, though we're apart.

Outro - strings fade
