Ezekiel's Beach Wind

A Tribute Song

Intro - piano, synth pads

Verse 1

Thursdays nights, when the day was through
A special howl, just me and you
By the gate, your voice would call
A loyal heart, standing proud and tall
I'd answer back, our secret sound
The best pit mix, I'd ever found
Our ritual, under the moon's soft gleam
A loving bond, a cherished dream

Chorus

Ezekiel, my sweet and brave boy
Four short years, filled with endless joy
Your love's a light, that forever will shine
A piece of my heart, eternally thine

Verse 2

When my eyes would linger, just a glance
You'd always know, by pure chance
Catching me with a hidden smile
Trying to snap a photo, for a while
Our souls connected, deep and true
My heart was yours, and yours was mine too
A silent language, we understood
A perfect love, as good as it could

Chorus

Ezekiel, my sweet and brave boy
Four short years, filled with endless joy

Ezekiel's Beach Wind (continued)

Your love's a light, that forever will shine
A piece of my heart, eternally thine

Bridge

I whispered then, and whisper still to you
"I'm here for you, wherever you want to go, it's true"
I saw your eyes, so wise and bright
And in that moment, I just knew, with all my might

Instrumental - piano, ukulele

Final Chorus

Ezekiel, my sweet and brave boy
Four short years, filled with endless joy
Your love's a light, that forever will shine
A piece of my heart, eternally thine

Outro - synth pads, piano fade

Now running free, with friends by your side
The wind in your face, where the ocean's wide
On golden sands, knowing all that's untold
A fabulous love story, worth more than gold.

Forever in our hearts
