

Remembering Ollie

Custom Pet Memorial Songs

Alaska's Gentle Shadow

A Tribute Song

Intro - piano, strings

Verse 1

If I sat down, you'd be right there
A little shadow beyond compare
Tiny paws, a loving stare
A constant presence, easing every care
Your spunky glow balls, a treasured sight
I'd throw them fifty times, day and night
You'd chase them gleefully, with all your might
Filling our home with pure delight

Chorus

Oh, Alaska, my sweet and true
Twelve beautiful years I spent with you
A love so pure, a bond so deep
Precious memories I will keep

Verse 2

Each morning sun, each setting moon
You'd settle beside me, not too soon
Your gentle presence, warm and mild
My loyal, sweet, and dearest child
When company came, you'd greet them all
Convinced they answered your special call
Every visitor, you truly knew
Had come just to visit you

Chorus

Oh, Alaska, my sweet and true
Twelve beautiful years I spent with you

Alaska's Gentle Shadow (continued)

A love so pure, a bond so deep
Precious memories I will keep

Bridge

Run free now, my precious baby, I know you don't want to go
And darling, letting go, it hurts me so
I love you, my heart is breaking, but this isn't goodbye
I promise, Mama will see you soon, beneath the sky
Hugs and kisses, until that day
In my heart, you'll always stay

Instrumental - cello, piano

Final Chorus

Oh, Alaska, my sweet and true
Twelve beautiful years I spent with you
A love so pure, a bond so deep
Precious memories I will keep

Outro

Now you're running free, in fields of light
Greeting angels, morning, noon, and night
Every soul who enters heaven's gate
Meets your loving smile, sealed by fate
My sweet Alaska, softly asleep
Forever in my heart, your love I'll keep

Outro - piano fade

Forever in our hearts
