Coco's Gentle Whisper

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

Little Coco, a tiny light
Maltese-Yorkie, pure delight
From the first day, we recall
Your love for snacks, you gave your all
Chasing toys across the floor
Always asking for just one more
A playful spirit, brave and free
You brought such joy to you and me

Chorus

Oh, Coco, my sweet girl so true
Fourteen years, a gift with you
In every dream, your paw prints stay
Guiding me along the way

Verse 2

Each new morning, soft and deep
Good morning belly rubs, while I'd half sleep
Body massages, gentle touch
Meaning more than very much
A special bond, we understood
A silent language, always good
Your little sighs, a happy sound
The dearest friend I ever found

Chorus

Oh, Coco, my sweet girl so true
Fourteen years, a gift with you

Coco's Gentle Whisper (continued)

In every dream, your paw prints stay
Guiding me along the way

Verse 3

You loved the recliner, your special chair
Between my legs, without a care
On the couch you'd claim your ground
A happy flip, when I'd sit down
For half an hour, rubs so sweet
No hated blanket, a gentle feat
"Want a ride?" then off you'd go
To Wendy's treat, you knew the show.

Chorus

Oh, Coco, my sweet girl so true
Fourteen years, a gift with you
In every dream, your paw prints stay
Guiding me along the way

Bridge

In quiet moments, I still hear
Your tiny bark, so very dear
My final whisper, soft and low
"Are you my good girl, go get the squirrels, go!"

Instrumental - piano, cello

Final Chorus

Oh, Coco, my sweet girl so true
Fourteen years, a gift with you
In every dream, your paw prints stay
Guiding me along the way

Outro

Now you're chasing friends up high
Beneath a warm and endless sky
But I can see you turn and gaze
A moment in those sunny days
A gentle nod, a loving plea
Go ahead and play, and wait for me

Outro - piano fade
