Xena's Guiding Paw

A Tribute Song

Intro - ukulele, acoustic guitar

Verse 1

A goofy Boxer, joy in every stride,
Your whole body happy, nowhere left to hide.
Such loyal love, protection strong and true,
Unconditional comfort, always from you.
You taught each pup the lessons of the heart,
A loving mother, right from the start.
No questions asked, you knew just what to do,
There'll never be another one like you.

Chorus

Oh, Xena, you were our light so bright,
Ten years of joy, morning, noon, and night.
A guiding paw, a spirit free and bold,
A story of pure love, more precious than gold.

Verse 2

Each day I came home, before the key would turn,
You'd sense my presence, a lesson I would learn.
You'd sit there waiting, so patient and so sweet,
A happy greeting, making my day complete.
And every night, we'd cuddle close and deep,
While whispered secrets, our precious bond we'd keep.

Chorus

Oh, Xena, you were our light so bright,
Ten years of joy, morning, noon, and night.
A guiding paw, a spirit free and bold,
A story of pure love, more precious than gold.

Xena's Guiding Paw (continued)

Bridge

For every moment, a thankful tear I'll shed,
"Thank you for ten years," is what my heart has said.
The very best companion, faithful and so kind,
A love like yours, so rare and hard to find.

Ukulele solo

Final Chorus

Oh, Xena, you were our light so bright,
Ten years of joy, morning, noon, and night.
A guiding paw, a spirit free and bold,
A story of pure love, more precious than gold.

Outro - ukulele fade

Now you're running free, no pain to bear,
With Dynasty and Odin, light as air.
A happy reunion, beneath skies so blue,
Rest easy, sweet Xena, we'll always remember you.

Forever in our hearts
