

Remembering Ollie

Custom Pet Memorial Songs

LoveBug's Sunshine Run

A Tribute Song

Intro - acoustic guitar, ukulele, light percussion

Verse 1

We remember the day you came into our lives
A tiny new puppy, a beautiful surprise
We carried you gently, fed you by hand with such care
Though you couldn't quite walk, your spirit was always there
You tried so very hard, with every single stride
Our special little one, with nothing to hide.

Chorus

Oh, LoveBug, our sweet, tiny friend
Seven months of joy, until your journey's end
You filled our world with laughter, a light shining so bright
And in our hearts, you'll stay, our endless pure delight.

Verse 2

We cherished the moments, just you and I awake
Sleeping on my chest, for goodness gracious sake
Neck snuggles so soft, a comfort deep and true
Climbing Daddy's shoulder, just to be close to you
Those weekend hours spent, wrapped in your sweet embrace
Leaving footprints of love, in time and in space.

Chorus

Oh, LoveBug, our sweet, tiny friend
Seven months of joy, until your journey's end
You filled our world with laughter, a light shining so bright
And in our hearts, you'll stay, our endless pure delight.

Bridge

LoveBug's Sunshine Run (continued)

Our hearts whisper now, a love that won't cease
We never meant to leave you, just finding sweet peace
You are forever, our little Lovebug, pure and free
A memory so precious, for all the world to see.

Instrumental - ukulele, synth bells

Final Chorus

Oh, LoveBug, our sweet, tiny friend
Seven months of joy, until your journey's end
You filled our world with laughter, a light shining so bright
And in our hearts, you'll stay, our endless pure delight.

Outro

Now you're running and playing, no longer blind, you can see
With Nahla and Dusty, happy and wild and free
Dusty scoops you up, with love in every bound
Our LoveBug, forever, on hallowed, joyful ground.

Outro - ukulele fade

Forever in our hearts
