Hank's Gentle Touch

A Tribute Song

Intro - piano, strings

Verse 1

The first time we met, a soft, wet nose
A Lab's sweet greeting, the love it shows
Your gentle kisses, a brand new start
You instantly captured my beating heart

Chorus

Oh, Hank, my dear, in softest light
Six precious years, so warm and bright
Your love a comfort, deep and true
A bond unending, me and you

Verse 2

Those loving nudges, a gentle plea
You always had to be touching me
A paw on my lap, a head on my knee
The purest affection, wild and free

Chorus

Oh, Hank, my dear, in softest light
Six precious years, so warm and bright
Your love a comfort, deep and true
A bond unending, me and you

Bridge

You were the best thing, ever known
A love like yours, so deeply sown
In every memory, softly flown

Hank's Gentle Touch (continued)

My heart forever, truly grown

Instrumental - strings, piano

Final Chorus

Oh, Hank, my dear, in softest light
Six precious years, so warm and bright
Your love a comfort, deep and true
A bond unending, me and you

Outro

Now with my daddy, in skies above
Surrounded by peace and endless love
Running free on fields of green
The best dog ever, cherished, seen

Outro - piano fade

Forever in our hearts
