Ms. BUTTONS, Always Near

A Tribute Song

Intro - piano, soft acoustic guitar

Verse 1

Little Westie, pure and white
Slept behind my legs at night
Always there, a steady sight
Greeting me with pure delight
A tiny shadow, always close
My sweet companion, as time goes
A loyal love, my heart it knows
The dearest bond, like a soft rose

Chorus

Oh, Ms. BUTTONS, my dear friend
Sixteen years, right to the end
A love like yours, it will not bend
On your sweet presence, I depend

Verse 2

That special dance, your happy start
From the front door to my heart
Zoomies to the room we'd dart
Then to the back, to play your part
A little bark, a happy plea
You always knew just what to be
My little shadow, wild and free
The sweetest girl, you lived for me

Chorus

Oh, Ms. BUTTONS, my dear friend
Sixteen years, right to the end

Ms. BUTTONS, Always Near (continued)

A love like yours, it will not bend
On your sweet presence, I depend

I held you close, felt your last beat
My love, my joy, my life's heartbeat
My whispered words, so soft and sweet
I love you and will always love you, my complete

Oh, Ms. BUTTONS, my dear friend
Sixteen years, right to the end
A love like yours, it will not bend
