Juju's Gentle Glow

A Tribute Song

Intro - acoustic guitar, mandolin

Verse 1

The first time that I saw your face, a Shitzu small and bright,
You'd bark and roll around with grace, demanding all my light.
You'd spin upon the kitchen floor, a happy little sound,
And show your belly, asking for, a gentle rub profound.

Chorus

Oh, Juju, sweet Juju, my dear,
Fifteen years, you were always near.
My heart still holds you, free from fear,
My precious girl, I miss you here.

Verse 2

No matter dawn or darkest night, you'd come and make your plea,
You'd nudge me with a loving might, until I held you close to me.
Your head upon my shoulder's rest, a quiet, gentle purr,
I'd rub your belly, soft and blessed, until you slept, my furry blur.

Chorus

Oh, Juju, sweet Juju, my dear,
Fifteen years, you were always near.
My heart still holds you, free from fear,
My precious girl, I miss you here.

Bridge

I love you very, very much, my precious, loyal friend,
Your unconditional, healing touch, until the very end.
Through cancer's fight, your love was true, a comfort every day,

Juju's Gentle Glow (continued)

Jesus loves you, and I love you, in every single way.

Instrumental - acoustic guitar, mandolin

Final Chorus

Oh, Juju, sweet Juju, my dear,
Fifteen years, you were always near.
My heart still holds you, free from fear,
My precious girl, I miss you here.

Outro - guitar fade

Now looking down, I know it's true, no pain or itch to find,
Just gratitude for all I'd do, a peace you left behind.
Thank you for all your gentle care, a spirit light and free,
Sleeping soundly, floating there, forever watching over me.

Forever in our hearts
