Maxie's Rainbow Run

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

A furry friend, a loyal heart, so true,
A German Shepherd, my best friend, that was you.
You brought a laughter I thought I'd never find,
Leaving all my worries far behind.
You knew my sadness, without a single word,
A comforting presence, always heard.
You made me feel alive, so vibrant and so bright,
Turning every shadow into light.

Chorus

Oh, Maxie, my sweet girl, my guiding star,
For eleven wonderful years, you weren't so far.
A love like ours, a bond so deep and strong,
Forever in my heart is where you'll belong.

Verse 2

Each time I left, then walked back through the door,
You'd be waiting there, wanting nothing more.
With wagging tail and bright and happy gaze,
You'd greet me with such joy in countless ways.
You made me feel special, loved in every part,
An appreciation written on your heart.
That sweet welcome home, a warmth I still recall,
The best feeling of all, standing proud and tall.

Chorus

Oh, Maxie, my sweet girl, my guiding star,
For eleven wonderful years, you weren't so far.

Maxie's Rainbow Run (continued)

A love like ours, a bond so deep and strong,
Forever in my heart is where you'll belong.

Verse 3

You loved your pepperoni, a delightful taste,
No treat was safe, no food went to waste.
Right by my side, or resting at my feet,
Your loving presence, always oh so sweet.
'Wanna go bye-bye?' would make your ears perk high,
Then to the truck you'd push, beneath the sky.
At the groomer's shop, you truly owned the place,
A spoiled sweet girl, with such a happy face.

Bridge

I'll be okay, my baby girl, don't worry now for me,
Go chase your ball, run joyful, wild, and free.
No more pain, just endless sky above,
I'll meet you at the Rainbow Bridge, my love.
I love you very, very much, my dear,
Until that special day, I'll hold you near.

Banjo Solo

Final Chorus

Oh, Maxie, my sweet girl, my guiding star,
For eleven wonderful years, you weren't so far.
A love like ours, a bond so deep and strong,
Forever in my heart is where you'll belong.

Outro

Now running free, chasing your favorite ball,
Free of pain, you rise above it all.
Watching over me, with eyes so kind and true,
Knowing I'll be okay, all thanks to you.

Outro - guitar fade
