

Remembering Ollie

Custom Pet Memorial Songs

Oliver's Stick and Shadow

A Tribute Song

Intro - piano, gentle guitar

Verse 1

From tiny paws, a spirit grand,
A wagging tail across the land.
A stick held proudly in his maw,
A precious gift, defying all.
Our little Oliver, so small and bright,
Bringing comfort, day and night.
A Chihuahua's heart, so true and deep,
Promises of joy he'd always keep.

Chorus

Oh, Oliver, our dearest friend,
Thirteen beautiful years, until the end.
Your memory softly fills the air,
A love beyond compare.

Verse 2

He'd have to sit so close by us,
Never causing any fuss.
Then peeking 'round the corner, bright,
Just to keep us in his sight.
A shadow following, a loyal gaze,
Through all our happy, passing days.
A special bond, so pure and true,
Our world was brighter, just with you.

Chorus

Oh, Oliver, our dearest friend,
Thirteen beautiful years, until the end.

Oliver's Stick and Shadow (continued)

Your memory softly fills the air,
A love beyond compare.

Bridge

Our little boy, we love and miss you so,
More than any words can show.
Mamma and Daddy, Peanut and Lucy too,
Will surely come to be with you.

Instrumental - piano, cello

Final Chorus

Oh, Oliver, our dearest friend,
Thirteen beautiful years, until the end.
Your memory softly fills the air,
A love beyond compare.

Outro - piano fade

Now running fast on heaven's grace,
A joyful smile upon your face.
When we come home, you'll meet us there,
Beyond all sorrow, beyond all care.

Forever in our hearts
