Custom Pet Memorial Songs

Sargie's Evening Star

A Tribute Song

Intro - piano, cello

Verse 1

The day you came, a sturdy, wrinkly face,
You quickly settled into your special place.
Your tug toy was a treasure, a game we'd always play,
And every crunchy treat would brighten up your day.
A loyal bulldog heart, so steadfast and so true,
My world grew brighter just because of you.
You'd snuffle softly, a comforting, sweet sound,
The dearest friend I'd ever truly found.

Chorus

Oh, Sargie, my sweet friend, my dear,
For eleven precious years, you banished every fear.
A paw print on my soul, a love that won't depart,
You'll always be my Sargie, a brand new beat within my heart.

Verse 2

The quiet evenings, when the day was through,
Just him and I, beneath the sky so blue.
You'd rest your heavy head, a gentle, sleepy sigh,
My silent, faithful shadow, always standing by.
No words were needed, just a knowing, loving glance,
A beautiful, shared, and tender, sweet romance.
You were my steadfast comfort, a constant, gentle light,
Filling every moment with pure delight.

Chorus

Oh, Sargie, my sweet friend, my dear,
For eleven precious years, you banished every fear.

Sargie's Evening Star (continued)

A paw print on my soul, a love that won't depart,
You'll always be my Sargie, a brand new beat within my heart.

Bridge

If I could whisper just one last refrain,
To ease the sorrow and to soothe the pain.
You were the best thing that ever happened to me, my love,
My gentle guardian sent from high above.

Instrumental - acoustic guitar, piano

Final Chorus

Oh, Sargie, my sweet friend, my dear,
For eleven precious years, you banished every fear.
A paw print on my soul, a love that won't depart,
You'll always be my Sargie, a brand new beat within my heart.

Outro

Now Mamma's baby, in a gentle, peaceful place,
Making friends with joy, with boundless time and grace.
I see you dreaming softly, a gentle, peaceful sleep,
A paw print on my soul, a promise I will keep.

Outro - piano fade

Forever in our hearts
