Maxi Pooh's New Horizon

A Tribute Song

Intro - grand piano, soft strings

Verse 1

From the moment you arrived, a tiny heart so true,
Always by my side, in everything I'd do.
You'd jump upon the footrest, a persistent little plea,
Until I'd pick you up and hold you close to me.
You'd settle on my foot, a comfort in its place,
Then scratch the front door softly, with such sweet and gentle grace.

Chorus

Oh, Maxi Pooh, my sweet boy, thirteen years we shared,
Every moment with you, a treasure beyond compare.
Your loyal love, a constant light, forever shining bright,
You filled my world with warmth and joy, from morning to the night.

Verse 2

When I sat on the recliner, you'd find your favorite spot,
Curled between my legs, a love that couldn't be bought.
Outside the bathroom door, you'd wait while I would shower,
Always right beside me, through every single hour.
In the kitchen, at my feet, you'd faithfully recline,
A silent, constant presence, a bond so deeply mine.

Chorus

Oh, Maxi Pooh, my sweet boy, thirteen years we shared,
Every moment with you, a treasure beyond compare.
Your loyal love, a constant light, forever shining bright,
You filled my world with warmth and joy, from morning to the night.

Maxi Pooh's New Horizon (continued)

I'm so sorry, sweet boy, Mommy couldn't fix it then,
To keep you here in pain, would be selfish, my dear friend.
You were so tired, suffering, now free from every ache,
Jesus gave you new legs, for goodness gracious sake.
Forgive me, my Maxi Pooh, know you're always in my heart,
Thank you for your love, right from the very start.

Instrumental - sweeping strings, piano, oboe

Final Chorus

Oh, Maxi Pooh, my sweet boy, thirteen years we shared,
Every moment with you, a treasure beyond compare.
Your loyal love, a constant light, forever shining bright,
You filled my world with warmth and joy, from morning to the night.

Outro - strings swell, piano, soft timpani fade

Now you run and jump and play, with sisters and your brother,
With brand new friends you've made, and no more pain to suffer.
Enjoy your new body, free and whole, until we meet again,
Rest in peace, my Maxi Pooh, my always loving friend.

Outro - piano and strings fade
