Maggy's Quiet Trust

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

The day we met, your gentle gaze,
Reflected trust through all your days.
A tiny shadow, close and true,
My little Maggy, always with you.
You followed close, where'er I'd roam,
And made my quiet house a home.
Each night you'd curl up by my side,
With nothing left for us to hide.

Chorus

Oh, Maggy, my dear, through thirteen years we grew,
A love so pure, forever shining through.
My heart remembers every soft embrace,
A cherished friend, time cannot erase.

Verse 2

When sorrow touched my weary soul,
You made my fractured spirit whole.
Your little head, upon my knee,
A silent comfort, just for me.
I miss the sound, your sleepy snore,
A gentle rhythm I adore.
Each precious moment, understood,
Always loving, always good.

Chorus

Oh, Maggy, my dear, through thirteen years we grew,
A love so pure, forever shining through.

Maggy's Quiet Trust (continued)

My heart remembers every soft embrace,
A cherished friend, time cannot erase.

Verse 3

Your Kitty toy, you held so tight,
A muffled growl, in pure delight.
You travelled far, on land and sea,
A happy soul, for all to see.
On Nova Scotia's pier you'd rest,
And greet new friends, among the best.
You saw the whales, with curious eyes,
Beneath the vast and endless skies.

Bridge

You were the best girl, a precious gift from above,
I'll hold you in my heart with endless love.
Your spirit gentle, forever will abide,
Always with me, deep down inside.

Instrumental - piano, string pad

Final Chorus

Oh, Maggy, my dear, through thirteen years we grew,
A love so pure, forever shining through.
My heart remembers every soft embrace,
A cherished friend, time cannot erase.

Outro

Now chasing balls, in fields so wide,
Where endless sunbeams softly glide.
Among the flowers, bright and free,
My sweet Maggy, waiting for me.

Outro - piano fade

Forever in our hearts
