Chloe's Trampoline Heart

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

Remember those first days, a silly little pup
Rolling in the bed, when she thought no one would look up
Making funny noises, a secret, sweet delight
With a pitbull's heart so full, burning ever bright.
Then the backyard surprise, beneath the summer sun
We saw our Chloe leaping, having so much fun
Jumping on the trampoline, a sight we'd never seen
Our clever, joyful girl, a playful, happy queen.

Chorus

Oh, Chloe, sweet Chloe, a light that shone so clear
Fifteen wonderful years, banishing all fear
You filled our lives with laughter, a love so pure and true
Every memory we treasure, forever missing you.

Verse 2

Each day when I came home, tired from the grind
Your happy, wagging welcome, the best I'd ever find
A special daily greeting, a comfort to my soul
Making every moment, beautiful and whole.
You loved to feel the sunshine, warming up your fur
And those joyful, bouncy leaps, a happy little blur.
Always full of energy, always full of grace
A smile upon your sweet and unforgettable face.

Chorus

Oh, Chloe, sweet Chloe, a light that shone so clear
Fifteen wonderful years, banishing all fear

Chloe's Trampoline Heart (continued)

You filled our lives with laughter, a love so pure and true
Every memory we treasure, forever missing you.

Verse 3

You loved to shred those squeaky toys, a happy, noisy game
Or chase the bubbles in the air, calling out your name
Soaking up the sun's warm rays, upon a bed so soft
Licking ice cream, sweet delight, she was loved, no matter what.
Laying close with sister Willow, a bond that always grew
And with her family, every day, our love forever true.
Even at the very end, with strength she found anew
She came to give us final kisses, a last "I love you."

Bridge

I love you so much, Chloe, my beautiful, dear friend
I hope you're laying in the sun, until the very end.
Jumping on your trampoline, with joy in every leap
I can't wait to hold you, when I finally fall asleep.

Instrumental - banjo, acoustic guitar

Final Chorus

Oh, Chloe, sweet Chloe, a light that shone so clear
Fifteen wonderful years, banishing all fear
You filled our lives with laughter, a love so pure and true
Every memory we treasure, forever missing you.

Outro

Now you're running free and jumping high, beyond the sky
With dog sisters and cat brother, who passed before your eye.
Sleeping peacefully in sunshine, in a field of endless green
Our sweet, beloved Chloe, the best we've ever seen.

Outro - acoustic guitar fade
