Fancy's Morning Smile

A Tribute Song

Intro - fingerpicked acoustic guitar, piano

Verse 1

The first time we met, a sight so sweet
A gentle smile, a crooked treat
An Airedale spirit, bright and keen
The best rescue I'd ever seen

Chorus

Oh, Fancy, dear, my guiding light
Eight years you filled my world with bright
A love so true, a bond so deep
Your memories I'll always keep

Verse 2

Before the California sun climbed high above
Our morning ritual, born of love
Your breakfast ready, bowl in hand
Then gentle walks across the land
That crooked smile, a happy grace
Always shining on your sweet face
Before the full intensity could shine
Those quiet moments, truly mine

Chorus

Oh, Fancy, dear, my guiding light
Eight years you filled my world with bright
A love so true, a bond so deep
Your memories I'll always keep

Bridge

Fancy's Morning Smile (continued)

A whisper given, soft and low
More than you could ever know
Thank you for letting me be near
My dearest Fancy, I love you, dear

Instrumental - piano, cello

Final Chorus

Oh, Fancy, dear, my guiding light
Eight years you filled my world with bright
A love so true, a bond so deep
Your memories I'll always keep

Outro

Now running free, beyond the blue
With happy barks, and spirits new
Perhaps you're waiting, at the gate
Our future meeting, I will wait

Outro - ethereal synth fade

Forever in our hearts
