Honey's Gentle Whisper

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

Your petite pretty face, so beautiful and bright
A tiny Maltese heart, a pure and loving light
Sixteen years you gave, your love beyond compare
The most beautiful memories, a bond we used to share

Chorus

Oh Honey, my sweet Babba, sixteen years and more
Your unconditional love I will forever adore
My heart still misses you, a quiet, aching plea
But your memory softly guides, forever close to me

Verse 2

I miss you sleeping close, your gentle cuddles near
Waiting by the bathroom door, chasing away all fear
"I'm going in the shower," your cue to always be
A tiny shadow waiting, so faithfully for me
And when I'd come home from out, you'd jump into my arms
My little loving Honey, safe from all the harms

Chorus

Oh Honey, my sweet Babba, sixteen years and more
Your unconditional love I will forever adore
My heart still misses you, a quiet, aching plea
But your memory softly guides, forever close to me

Bridge

I whisper in the quiet, a love that won't depart

Honey's Gentle Whisper (continued)

"I love you Babba," softly, from deep within my heart
"Mumma's here," I feel you near, a warmth I can't explain
Though tears may fall like raindrops, your spirit still remains

Instrumental - piano, strings

Final Chorus

Oh Honey, my sweet Babba, sixteen years and more
Your unconditional love I will forever adore
My heart still misses you, a quiet, aching plea
But your memory softly guides, forever close to me

Outro

Now you're running free and pain free, beneath skies so wide
A peaceful slumber taking hold, with nothing left to hide
My beautiful Honey, in dreams you gently sleep
Your love a precious treasure, my heart will always keep.

Outro - music box fade
