Sweetheart's Gentle Dream

A Tribute Song

Intro - soft piano, ambient synths

Verse 1

The moment you first ran to greet,
With tiny paws and happy feet.
Your little bark, a joyful sound,
The sweetest friend we ever found.
Those beautiful eyes, a loving gaze,
Through all of life's enchanting haze.
Your cute underbite, a cherished smile,
We'd watch you for a little while.

Chorus

Oh, Sweetheart, our dear faithful friend,
Nearly fifteen years, until the end.
Your memory lives within our soul,
Making our broken hearts feel whole.

Verse 2

You loved to cuddle close and tight,
A constant shadow, day and night.
Between us in the bed you'd creep,
Our funny girl, while we would sleep.
Your little snores, a gentle tune,
Beneath the silence of the moon.
We'd listen close and softly sigh,
Our precious love, beneath the sky.

Chorus

Oh, Sweetheart, our dear faithful friend,
Nearly fifteen years, until the end.

Sweetheart's Gentle Dream (continued)

Your memory lives within our soul,
Making our broken hearts feel whole.

Bridge

We love you, Sweetheart, with all our heart,
Though now we're painfully apart.
We miss you so, beyond compare,
And hold you close when we get there.

Instrumental - piano, string pad

Final Chorus

Oh, Sweetheart, our dear faithful friend,
Nearly fifteen years, until the end.
Your memory lives within our soul,
Making our broken hearts feel whole.

Outro

Now running free on golden plains,
Released from earthly aches and pains.
Just waiting for the day to come,
When we'll be together, safe at home.

Outro - synth fade

Forever in our hearts
