Goober's Warm Embrace

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

That first day we met, a happy sound,
The sweetest Boxer mix we found.
You loved the pool, with joyful leap,
Into the cool blue, diving deep.
An ice cream cone, a special treat,
Your happy heart just can't be beat.
A joy to many, it was true,
Our Goober, we adored you.

Chorus

Oh, Goober, sweet boy, a precious friend,
Twelve wonderful years, right to the end.
Your love, a light that still shines on,
Our loyal companion, now you're gone.

Verse 2

The early morning, soft and low,
You'd jump on bed, a gentle glow.
To cuddle close with mommy dear,
Chasing away all doubt and fear.
Your squeaky toys, a happy game,
Calling out loud your loving name.
With family and friends, you'd swim and play,
Brightening up our every day.

Chorus

Oh, Goober, sweet boy, a precious friend,
Twelve wonderful years, right to the end.

Goober's Warm Embrace (continued)

Your love, a light that still shines on,
Our loyal companion, now you're gone.

Bridge

A quiet whisper, soft and clear,
Though tears may fall, we hold you dear.
Run free, sweet boy, beyond the light,
Until we meet again, shining bright.

Instrumental - banjo, acoustic guitar

Final Chorus

Oh, Goober, sweet boy, a precious friend,
Twelve wonderful years, right to the end.
Your love, a light that still shines on,
Our loyal companion, now you're gone.

Outro

Now with Lady and Ace, your friends so true,
Beyond the stars, a sky so blue.
You rest in peace, your spirit free,
Waiting there, someday for me.

Outro - guitar fade
