Freddy's Pillow Dreams

A Tribute Song

Intro - piano, ambient pad

Verse 1

A soft purr, a gentle grace,
A beautiful cat in every space.
I remember how you'd leap so light,
Right onto my pillow in the night.
Your warm fur, a comforting sight,
Chasing away the darkest night.
My heart would always feel so full,
With my dear Freddy, beautiful.

Chorus

Oh, Freddy, sweet Freddy, my dear friend,
Seven years of love that will transcend.
You left paw prints deep within my soul,
Making my world feel whole.

Verse 2

Then came the moments, soft and low,
A special comfort, I watched you glow.
Laying beside me, on my softest bed,
Giving me baths, upon my head.
A tiny tongue, a loving sign,
Your gentle spirit intertwined.
Those precious moments, pure and deep,
Memories my heart will always keep.

Chorus

Oh, Freddy, sweet Freddy, my dear friend,
Seven years of love that will transcend.

Freddy's Pillow Dreams (continued)

You left paw prints deep within my soul,
Making my world feel whole.

Verse 3

When evening fell, and I'd walk through the door,
A sweet meow, a welcome I'd adore.
You'd follow close, to the kitchen's light,
Making every moment feel just right.
Then on the couch, you'd curl up near,
Chasing away all doubt and fear.
Eventually, you'd drift to sleep,
Treasured memories my heart will keep.

Bridge

My final whisper, soft and true,
I love you so much, Freddy, and I miss you.
But in my heart, I know it's clear,
One day, I'll see you again, my dear.

Instrumental - cello, piano

Final Chorus

Oh, Freddy, sweet Freddy, my dear friend,
Seven years of love that will transcend.
You left paw prints deep within my soul,
Making my world feel whole.

Outro

Now you're running free and strong,
Without pain, where you belong.
In the forest, shadows deep,
While I dream of you in sleep.
Rest easy, my sweet, beautiful cat.

Outro - piano fade

Forever in our hearts
