Koby's Gentle Tail

A Tribute Song

Intro - piano, strings

Verse 1

We remember the first day, so small and bright,
Your stubby tail wagging with all your might.
A happy greeting, a joyous, pure sound,
The sweetest little friend we ever found.
You'd stretch your body, a tiny, graceful bow,
Before we'd scoop you up, right then and right now.
Our little Yorkie, full of vibrant cheer,
Washing away every doubt and fear.

Chorus

Oh, Koby, our Koby, for thirteen precious years,
You filled our lives with joy, drying all our tears.
A love so pure, a bond so deep and true,
Forever in our hearts, we'll remember you.

Verse 2

When night would fall, and the day was through,
You'd cuddle on the couch, just me and you.
A warm embrace, a peaceful, soft sigh,
Beneath the starlight, as moments flew by.
Now you're sleeping soundly, with tongue peeking out,
Or chasing your hedgehog, without any doubt.
Those little quirks, we hold them very dear,
Whispers of your presence, always near.

Chorus

Oh, Koby, our Koby, for thirteen precious years,
You filled our lives with joy, drying all our tears.

Koby's Gentle Tail (continued)

A love so pure, a bond so deep and true,
Forever in our hearts, we'll remember you.

Bridge

You are our sweet little boy, our perfect puppy,
Through every day, every moment, so happy.
We missed you, we love you forever, it's true,
A part of our family, always in view.

Instrumental - strings, harp

Final Chorus

Oh, Koby, our Koby, for thirteen precious years,
You filled our lives with joy, drying all our tears.
A love so pure, a bond so deep and true,
Forever in our hearts, we'll remember you.

Outro

Now you're sleeping softly, a peaceful, gentle sight,
Or fetching your hedgehog, bathed in golden light.
Running free, beyond the clouds so high,
Our sweet Koby, beneath the endless sky.
