

Remembering Ollie

Custom Pet Memorial Songs

Casey's Gentle Dream

A Tribute Song

Intro - delicate piano, soft harp

Verse 1

From the sofa, a tiny leap you'd make,
For a morsel, any treat you could take.
A fluffy bundle, a precious Shih Tzu so small,
You answered with joy to every call.

Chorus

Oh, Casey, my sweet, gentle heart,
Nine years with you, right from the start.
A love so pure, a comforting sight,
You filled my world with tender light.

Verse 2

Your special moments, soft and true,
Were cuddles given, kisses too.
A gentle nudge, a warm embrace,
Bringing comfort to every space.

Chorus

Oh, Casey, my sweet, gentle heart,
Nine years with you, right from the start.
A love so pure, a comforting sight,
You filled my world with tender light.

Bridge

Though quiet now, your soft warm bed,
Those loving words, I always said.
A final whisper, from my soul to yours,

Casey's Gentle Dream (continued)

"I love you forever," through heaven's doors.

Instrumental - harp, glockenspiel

Final Chorus

Oh, Casey, my sweet, gentle heart,
Nine years with you, right from the start.
A love so pure, a comforting sight,
You filled my world with tender light.

Outro

Now with your Mama, joyously you fly,
Chasing squirrels beneath an endless sky.
Full of treats, no cares, forever free,
Sweet Casey, sleeping softly, waiting for me.

Outro - piano fade

Forever in our hearts
