Little Bear's Eternal Sunshine

A Tribute Song

Intro - ukulele, glockenspiel

Verse 1

A little ball of fluff, so small and grand,
The most loyal heart in all the land.
From the moment we met, a spark so bright,
You filled my world with pure, loving light.
Your spirit, so fierce, your love, so true,
A passionate friend, through and through.
My Little Bear, a joy to see,
Your loyalty defined our journey, faithfully.

Chorus

Oh, Little Bear, my sweet, dear friend,
Nine wonderful years that knew no end.
Your spirit shines, a constant gleam,
You live forever in my sweetest dream.

Verse 2

The sound of my key, a happy bark,
Erase the day's shadows, leaving no dark.
A wagging tail, a joyful sound,
The happiest welcome, always found.
You'd spin and leap, a fuzzy blur,
My little greeter, my softest purr.
Those precious moments, etched in time,
Your love, a comfort, always prime.

Chorus

Oh, Little Bear, my sweet, dear friend,
Nine wonderful years that knew no end.

Little Bear's Eternal Sunshine (continued)

Your spirit shines, a constant gleam,
You live forever in my sweetest dream.

Verse 3

Through quiet hours, by my side you'd stay,
A steady comfort, brightened every day.
Your gentle breath, a soft, sweet sound,
The dearest friend that I had ever found.
With loving eyes, you'd watch me near,
Dispelling doubts, calming every fear.
A constant shadow, warm and true,
My world made brighter, just because of you.

Bridge

I know you see the tears I cry,
But please don't be sad, my sweet goodbye.
I'll be along one day, don't you fear,
Just please don't forget that I was here.
Our bond unbreakable, strong and deep,
While promises of forever, I will keep.

Instrumental - ukulele, acoustic guitar

Final Chorus

Oh, Little Bear, my sweet, dear friend,
Nine wonderful years that knew no end.
Your spirit shines, a constant gleam,
You live forever in my sweetest dream.

Outro

Now you're reunited, wild and free,
With family in Heaven, for all to see.
Playing with White Boy, and Papa too,
In fields of sunshine, bright and new.
My Little Bear, run wild and bright,
Forever bathed in Heaven's gentle light.

Outro - ukulele fade
