

Remembering Ollie

Custom Pet Memorial Songs

Franklin's Gentle Guard

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

Small but mighty, a brave little hound
A watchful bark, a comforting sound
Greeting us always, with joyful hello
Then tiny wet kisses, a love we would know

Chorus

Oh, sweet Frankie, my brave little friend
Fourteen years with you, until the very end
Your love was a gift, a constant true light
Shining brightly, both morning and night

Verse 2

Each gentle morning, your soft waking kiss
A quiet shared breakfast, a moment of bliss
A daily tradition, so precious and deep
Sweet memories now, my heart will always keep

Chorus

Oh, sweet Frankie, my brave little friend
Fourteen years with you, until the very end
Your love was a gift, a constant true light
Shining brightly, both morning and night

Verse 3

On sandy shores, we walked by the sea
Or quiet woods, where you ran with me
Car rides you loved, a sweet joyful trip

Franklin's Gentle Guard (continued)

With special pup cups, from which you would sip

Bridge

Run with your brother, Mikey, be free
No more pain now, for all the world to see
I love you so much, Frankie, my dear
You meant the world to me, banishing all fear

Instrumental - cello, soft strings

Final Chorus

Oh, sweet Frankie, my brave little friend
Fourteen years with you, until the very end
Your love was a gift, a constant true light
Shining brightly, both morning and night

Outro - piano fade

Now at the Bridge, with Mikey you roam
Walking and running, forever home
No more aches, no struggles, just ease
Resting in peace, carried on the breeze

Forever in our hearts
