Missyanne's Gentle Dream

A Tribute Song

Intro - piano, synth pads

Verse 1

From the moment that we met, my sweet girl,
You brought such magic to my world.
A loving soul, so gentle and so true,
A loyal dog, my heart belonged to you.

Chorus

Oh, Missyanne, my dearest friend,
Our special journey knows no end.
Eleven and a half years by my side,
Your love, my comfort and my guide.

Verse 2

In my home office, quiet and serene,
You watched over me, my furry queen.
A silent comfort, always close within my sight,
Filling every day with gentle light.

Chorus

Oh, Missyanne, my dearest friend,
Our special journey knows no end.
Eleven and a half years by my side,
Your love, my comfort and my guide.

Bridge

As shadows fell, and time moved on,
I whispered softly, just before dawn.
"Love you Missymoo," my heart did sigh,

Missyanne's Gentle Dream (continued)

Beneath the vast and endless sky.

Instrumental - gentle piano

Final Chorus

Oh, Missyanne, my dearest friend,
Our special journey knows no end.
Eleven and a half years by my side,
Your love, my comfort and my guide.

Outro

Now you're running free, no pain or fear,
No more cancer, nothing to shed a tear.
Sleeping peacefully, under skies so blue,
My sweet Missyanne, I'll always love you.

Outro - synth fade
