# Willow's Gentle Whisper

*A Tribute Song*

---

**Intro - piano, acoustic guitar**

**Verse 1**

She came to me a little thing, with mischief in her eyes,  
A black tabby queen with a gentle surprise.  
She chased the moths and butterflies, in sunbeams she would lie,  
And chatter at the little birds, beneath the open sky.  
She climbed the trees with fearless grace, a toy fish in her paw,  
Then batted ping pong balls with glee, and always asked for more.  
So full of spirit, wild and free, yet soft beyond compare,  
A loving heart, a caring soul, a gentle paw to share.

**Chorus**

Oh, Willow, my sweet Willow, my soul cat through and through,  
Nineteen years of endless love, shared only with you.  
I miss your purr upon my lap, your forehead bump, your sweet miaow,  
A gentle presence, dearly loved, I yearn for you right now.

**Verse 2**

Each day would bring a special time, a moment pure and deep,  
When you would come to cuddle close, secrets for us to keep.  
Upon my lap, a kneading paw, a loving, soft embrace,  
You'd make your dough, a tender sign, in that familiar place.  
Your quiet wisdom in your gaze, a comfort ever true,  
My heart would swell with grateful joy, just sitting there with you.  
No other bond could ever feel so precious and so rare,  
A silent language understood, beyond all earthly care.

**Chorus**

Oh, Willow, my sweet Willow, my soul cat through and through,  
Nineteen years of endless love, shared only with you.

*Willow's Gentle Whisper (continued)*

I miss your purr upon my lap, your forehead bump, your sweet miaow,  
A gentle presence, dearly loved, I yearn for you right now.

**Bridge**

I've loved you all your life, my dear, a truth that will remain,  
I'll miss you for the rest of mine, through sunshine and through rain.  
But I will find you once again, my precious, sweet girl, wait for me,  
Across the stars, beyond this world, for all eternity.

**Instrumental - cello, piano**

**Final Chorus**

Oh, Willow, my sweet Willow, my soul cat through and through,  
Nineteen years of endless love, shared only with you.  
I miss your purr upon my lap, your forehead bump, your sweet miaow,  
A gentle presence, dearly loved, I yearn for you right now.

**Outro**

You're sunning now in heaven's light, where grace and comfort bloom,  
Watching over us each day, dispelling every gloom.  
Your spirit here, in every sign, a whisper in the air,  
My sweet Willow, safe at peace, beyond all earthly care.

**Outro - piano fade**

*Forever in our hearts*
