Coco's Gentle Shore

A Tribute Song

Intro - gentle piano, ukulele

Verse 1

From fluffy white fur and spirit bright,
Our long hikes began, a beautiful sight.
Through fields and forest, you'd lead the way,
Chasing the sunshine, day after day.
A Bichon's sweet heart, so pure and so free,
Exploring the world, right there with me.
Each path we discovered, a memory we'd keep,
While silent promises, our souls would hold deep.

Chorus

Oh, sweet Coco, a love so profound,
For fourteen good years, our lives you crowned.
A gentle spirit, a loyal, true friend,
Your paw in my hand, until the very end.

Verse 2

Then evening would come, soft and serene,
Our special moments, a comforting scene.
Cuddling close, heart to heart we would lie,
Beneath the starlight, beneath the wide sky.
Your tiny warm body, a balm to my soul,
Making my brokenness feel somehow whole.
A quiet contentment, we'd peacefully share,
Lost in the quiet, beyond all our care.

Chorus

Oh, sweet Coco, a love so profound,
For fourteen good years, our lives you crowned.

Coco's Gentle Shore (continued)

A gentle spirit, a loyal, true friend,
Your paw in my hand, until the very end.

Bridge

Thank you so much for your unconditional love,
A precious gift sent from heaven above.
Go ahead and run freely, across the soft sand,
Until we meet again, in that beautiful land.

Instrumental - cello, piano

Final Chorus

Oh, sweet Coco, a love so profound,
For fourteen good years, our lives you crowned.
A gentle spirit, a loyal, true friend,
Your paw in my hand, until the very end.

Outro

Now running free, on a sun-drenched shore,
Enjoying the beach, forevermore.
The waves gently whisper, a soft, peaceful sound,
Where pure, happy memories eternally abound.

Outro - piano fade

Forever in our hearts
