Heidi's Open Field

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

I remember the day you came to stay
A little wagging tail, chasing fears away
Your big brown eyes, so full of grace
Found your forever home, in this sacred place

Chorus

Oh, Heidi, our sweet and loyal friend
Four and a half years, right to the very end
A love like yours, a bond so true
In every memory, we still find you

Verse 2

Each morning light, a gentle tap I'd feel
Your head on the bed, a comfort so real
A happy bark, when we walked through the door
You asked for nothing, just to love us more
You'd jump on the couch, for a scratch or two
And lick our hands, a sweet "I love you."

Chorus

Oh, Heidi, our sweet and loyal friend
Four and a half years, right to the very end
A love like yours, a bond so true
In every memory, we still find you

Verse 3

The way you'd talk to us, when you wanted more

Heidi's Open Field (continued)

A mischievous gleam, trying to steal from the floor
Through grassy fields, you'd fly with all your might
Chasing your sister, a joyful, speedy sight
And for Mom and Dad, your love would never bend
A constant comfort, our dearest, loyal friend

Bridge

"Chase the squirrels for me, go run free, I pray"
"Harley and Lucy wait, to greet you on your way"
"And eventually Mom and I, will join you there"
"In that open field, beyond all care."

Harmonica Solo

Final Chorus

Oh, Heidi, our sweet and loyal friend
Four and a half years, right to the very end
A love like yours, a bond so true
In every memory, we still find you

Outro

Now you're running free, chasing squirrels in the sun
With your dear sister, your joyful race is won
Still jumping on couches, for a loving embrace
Licking our hands, in that peaceful place

Outro - guitar fade

Forever in our hearts
