Sweetest Boys on the Rainbow Bridge

A Tribute Song

Intro - piano, strings

Verse 1

Tiny paws and loving hearts, a precious, gentle pair,
Chihuahua sweet, Westie bright, beyond compare.
With snuggles and soft kisses, our happy walks would start,
Safe from the shadows, held within my heart.
Through sunlit parks, no fear we knew, protected by my side,
You'd trot along, with joyful stride.
Each happy memory, a treasure to embrace,
Filling every quiet space.

Chorus

Oh, Milo and Kirk, my sweet, dearest boys,
You filled my life with endless joys.
Through many years, a love so true,
My heart still aches and yearns for you.

Verse 2

The nightly walks beneath the stars, a ritual we'd share,
Your presence always chased away each care.
More kisses and more snuggles, a gentle, warm embrace,
Leaving smiles upon my face.
You were the sweetest, kindest souls, so loyal and so true,
In everything you'd always do.
Your silly quirks, your happy sighs, a comfort every day,
You brightened up my path and way.

Chorus

Oh, Milo and Kirk, my sweet, dearest boys,
You filled my life with endless joys.

Sweetest Boys on the Rainbow Bridge (continued)

Through many years, a love so true,
My heart still aches and yearns for you.

Bridge

My final whisper, soft and clear, for all the world to hear,
"You are the sweetest and best boys ever," hold that thought so dear.
Now waiting patiently, with spirits light and free,
My precious boys, for Karen, you will be.

Instrumental - piano, cello

Final Chorus

Oh, Milo and Kirk, my sweet, dearest boys,
You filled my life with endless joys.
Through many years, a love so true,
My heart still aches and yearns for you.

Outro

On Rainbow Bridge, together now you play,
Chasing sunbeams through the day.
Dreaming sweet and peaceful, till we meet once more,
Forever loved, forever to adore.

Outro - piano fade
