# Leia's First Rest

*A Tribute Song*

---

**Intro - piano, strings**

**Verse 1**

The day we met, a brand new start,  
A tiny Yorkie, stole my heart.  
We stopped for snacks, the journey long,  
Then in my lap, where you belonged.  
Your little head, a sleepy weight,  
As if you rested, for the first time, fate.  
I drove so slow, to keep you near,  
No need for waking, no need for fear.

**Chorus**

Leia, my sweet, for eight long years,  
You dried my eyes and calmed my fears.  
A tiny light, so pure and true,  
My heart forever beats for you.

**Verse 2**

Each morning call, before I'd leave,  
A hug goodbye, I truly believe.  
Upon my bed, a watchful gaze,  
Through busy hours, through life's haze.  
"I'll see you soon," the words I'd say,  
And you'd be there, at close of day.  
With happy tail, a loving sight,  
You filled my coming home with light.

**Chorus**

Leia, my sweet, for eight long years,  
You dried my eyes and calmed my fears.

*Leia's First Rest (continued)*

A tiny light, so pure and true,  
My heart forever beats for you.

**Bridge**

That final breath, I held you close,  
Your eyes met mine, a love that rose.  
"It's okay baby, it's my turn now,"  
A silent promise, a sacred vow.  
To hold you once, just one more time,  
"I love you, thank you for choosing me, sublime."

**Instrumental - piano, strings, harp**

**Final Chorus**

Leia, my sweet, for eight long years,  
You dried my eyes and calmed my fears.  
A tiny light, so pure and true,  
My heart forever beats for you.

**Outro**

Now in my heart, your spirit bright,  
Chasing away the darkest night.  
I see you running, strong and free,  
Through golden fields, eternally.  
My sweet Leia, you're always near,  
Beyond the clouds, beyond a tear.

**Outro - piano fade**

*Forever in our hearts*
