Reagar's Joyful Bark

A Tribute Song

Intro - acoustic guitar, banjo

Verse 1

A mighty Rottweiler, strong and true,
With big kind eyes, a loving view.
When dinner came, he'd let us know,
A gentle grumble, soft and low.
He'd roll in grass with pure delight,
A joyful, happy, wondrous sight.
And when I walked back through the door,
His tail would thump upon the floor.

Chorus

Oh, Reagar, nine beautiful years we shared,
A loyal heart, beyond compared.
Though tears may fall, we'll sing your praise,
For all the light in sunlit days.

Verse 2

Those special moments, soft and deep,
When secrets only we could keep.
On my bed, a gentle sigh,
We'd share our comfort, you and I.
A loving nudge, a happy sound,
The best companion I ever found.
You taught my heart to truly see,
The depth of loyal company.

Chorus

Oh, Reagar, nine beautiful years we shared,
A loyal heart, beyond compared.

Reagar's Joyful Bark (continued)

Though tears may fall, we'll sing your praise,
For all the light in sunlit days.

Bridge

My heart is breaking, saying goodbye,
A final whisper, from the sky.
I love you, boy, you mean so much to me,
Now peaceful rest, forever free.

Instrumental - banjo, harmonica

Final Chorus

Oh, Reagar, nine beautiful years we shared,
A loyal heart, beyond compared.
Though tears may fall, we'll sing your praise,
For all the light in sunlit days.

Outro

Now running free, with joyful pace,
With furry friends, in a happy place.
Endless treats, and grassy ground,
Where peace and comfort can be found.

Outro - guitar fade
