Chloe's Journey Home

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

Eighteen years ago, a tiny little paw,
You came into my life, defying every law.
A small Chihuahua heart, so full of love and grace,
Bringing kindness, joy, a smile upon my face.
With fun and cuddles close, and many gentle kisses,
You filled my world with warmth, replacing all my misses.
A true companion dear, a joy I can't express,
My little furry friend, through every tenderness.

Chorus

Oh, Chloe, sweet Chloe, a precious eighteen years,
You wiped away my doubts, and calmed my every fear.
A tiny shadow bright, a loyal, loving soul,
You made my broken heart feel perfectly whole.

Verse 2

From room to room you'd go, a faithful, trusting friend,
The way you'd follow me, right up until the end.
A little pitter-pat, a presence always near,
You banished loneliness, and dried away each tear.
No matter where I turned, you'd always be right there,
A bond so deep and true, beyond compare.
My tiny watchful guard, my constant, gentle guide,
Forever by my feet, right there by my side.

Chorus

Oh, Chloe, sweet Chloe, a precious eighteen years,
You wiped away my doubts, and calmed my every fear.

Chloe's Journey Home (continued)

A tiny shadow bright, a loyal, loving soul,
You made my broken heart feel perfectly whole.

Bridge

Thank you for your unconditional love, my dear,
I really miss you so much, wishing you were here.
A pure and tender heart, a spirit free and bold,
More precious than all silver, or all the finest gold.

Mandolin Solo

Final Chorus

Oh, Chloe, sweet Chloe, a precious eighteen years,
You wiped away my doubts, and calmed my every fear.
A tiny shadow bright, a loyal, loving soul,
You made my broken heart feel perfectly whole.

Outro - guitar fade

Now playing and jumping free, no longer bound by pain,
Running wild and free, until we meet again.
My sweet Chloe, forever in my heart.

Forever in our hearts
