Immanuel's Fields of Gold

A Tribute Song

Intro

piano, soft strings

Verse 1

From the moment you came to my side,
A gentle sweet soul, nowhere to hide.
My German Shepherd, with adoring gaze,
You filled all my darkest days.

Chorus

Oh Immanuel, my sweet and dear friend,
Nine years of love that will never end.
My gentle giant, my heart's guiding light,
You made everything feel so right.

Verse 2

Our hugs were a comfort all through the day,
Chasing all my lonely fears away.
But the best was when I'd sing at night,
You'd listen so close, holding me tight.

Chorus

Oh Immanuel, my sweet and dear friend,
Nine years of love that will never end.
My gentle giant, my heart's guiding light,
You made everything feel so right.

Bridge

Immanuel Isaiah, God brought you near,
In the worst season, banishing fear.

Immanuel's Fields of Gold (continued)

My sweet big protector, my truest guide,
Thank you for always staying by my side.

Instrumental

cello, piano

Final Chorus

Oh Immanuel, my sweet and dear friend,
Nine years of love that will never end.
My gentle giant, my heart's guiding light,
You made everything feel so right.

Outro

Now free of the pain, in fields of gold you run,
Beneath the eternal, golden sun.
You wait for my touch, I know it's true,
My love still with you, my heart still feels you.
