

Remembering Ollie

Custom Pet Memorial Songs

Oreo's Sweet Dream

A Tribute Song

Intro - piano, soft pads

Verse 1

I still recall that peaceful day
You in my lap, no need to play
Just watching shows, a gentle friend
A quiet joy that would not end
But when we walked, you'd lead the way
So happy in the morning light of day
A calm sweet soul, with spirit bright
Filling all our days with light

Chorus

Oreo, my sweet dear boy
You brought us nine long years of joy
A gentle soul, a tender heart
Right from the very start

Verse 2

Those morning walks, a happy start
Then cuddles on the couch, a work of art
Your head upon my chest so warm
Safe from every passing storm
A little sigh, a peaceful sound
The dearest friend we ever found
So gentle, yet so full of grace
Always happy in your special place

Chorus

Oreo, my sweet dear boy
You brought us nine long years of joy

Oreo's Sweet Dream (continued)

A gentle soul, a tender heart
Right from the very start

Bridge

I whispered softly in your ear
No need to fight, no need to fear
It's okay, my sweet boy, you can rest now
Let peace and comfort show you how

Instrumental - piano, subtle strings

Final Chorus

Oreo, my sweet dear boy
You brought us nine long years of joy
A gentle soul, a tender heart
Right from the very start

Outro

Now you're running free and bright
Making friends with all your might
Across the fields, beneath the sky
We wave to you, our sweet goodbye
Sleeping soundly, free from pain
Until we meet again

Outro - piano fade

Forever in our hearts
