Verse 1

The first time we kicked that ball around
A giant heart in a noble hound
You'd answer back with a rumble low
More than a bark, a story to grow
A Bull Mastiff's strength, a Pit bull's grace
A loving spirit in every space
Our mornings bright, our evenings too
My world was always better with you.

Chorus

Oh, Buddy, our friend, so true and grand
Nine awesome years across the land
You brought such joy with every stride
Forever cherished, deep inside
A bright star shining, ever bright
Our Buddy's love, our guiding light.

Verse 2

The quiet nights on the old front stoop
Just you and I, a silent troop
Beneath the stars, so calm and bright
You filled my world with gentle light
A comforting lean, a gentle sigh

Buddy's Starry Sky (continued)

As shooting stars went sailing by
Those precious moments, etched in time
A bond so perfect, so sublime.

Chorus

Oh, Buddy, our friend, so true and grand
Nine awesome years across the land
You brought such joy with every stride
Forever cherished, deep inside
A bright star shining, ever bright
Our Buddy's love, our guiding light.

Verse 3

Your open heart, a boundless grace
You greeted every friendly face
Beside the fire, warm and bright
We'd share the quiet of the night
Those happy memories, shining through
Forever treasured, Buddy, with you.

Bridge

I'll love and miss you forever, my dear
The best boy always, banishing fear
Your paw prints etched upon my soul
Making my broken spirit whole.

Guitar Solo

Final Chorus

Oh, Buddy, our friend, so true and grand
Nine awesome years across the land
You brought such joy with every stride
Forever cherished, deep inside
A bright star shining, ever bright
Our Buddy's love, our guiding light.

Outro

Now you're playing soccer, free and bold
Swimming in waters, stories untold
A gentle rest, beneath the sun
Your endless journey has begun.

Outro - guitar fade
