Cooper's Gentle Spin

A Tribute Song

Intro - strings, piano

Verse 1

A Jack Russel heart, so quick and so bright,
You'd spin-a-rooni with pure delight.
For every treat, a joyful, twirling dance,
A playful spirit, a loving glance.
With an inside voice, so gentle and low,
Though a shriek could easily flow.
We'd snuggle close, watching shows on the screen,
The sweetest companion, a comforting scene.

Chorus

Oh, Cooper, our boy, for five precious years,
You filled our home, calming all of our fears.
A furry shadow, a loyal, true friend,
A love like yours, it will never quite end.

Verse 2

The evenings would call for a game in the yard,
Chasing your black ball, playing your part.
You'd flick your toys with your two front paws,
Defying gravity, breaking all laws.
With joyful barks and a wagging tail,
You'd brighten our lives, without fail.
Every moment with you, a treasure to keep,
Memories of laughter, sown ever so deep.

Chorus

Oh, Cooper, our boy, for five precious years,
You filled our home, calming all of our fears.

Cooper's Gentle Spin (continued)

A furry shadow, a loyal, true friend,
A love like yours, it will never quite end.

Verse 3

You'd fuss at Allie, for the toy she possessed,
Thinking her playthings were truly the best.
She'd drop it for you, then another she'd find,
But you'd want that new one, leaving the old behind.
A typical brother, with mischief and cheer,
Demanding attention, you held us so near.
Those comical moments, now etched in our soul,
Made our family complete, making us whole.

Bridge

You were the best dog, we miss you so much each day,
The constant ache, it just won't go away.
But we love you, dear Cooper, our promise to hold,
A story of kindness, forever unfolds.
We'll never forget you, our sweet angel pup,
Thank you for Sammy, who helps fill our cup.

Instrumental - strings, piano, oboe

Final Chorus

Oh, Cooper, our boy, for five precious years,
You filled our home, calming all of our fears.
A furry shadow, a loyal, true friend,
A love like yours, it will never quite end.

Outro

Now you're with Caryn, surrounded by grace,
Getting all treats and soft belly embrace.
Running free, dreaming, beneath skies so blue,
Our angel, our Cooper, forever we love you.

Outro - strings fade
