Rudi's Gentle Paw

A Tribute Song

Intro - piano, synth pads

Verse 1

The day we found you, a rescue sweet,
Our hearts connected, a loving feat.
Your playful spirit, so kind and true,
We fell in love, dear Rudi, with you.
You brought us joy, a happy sound,
Rolling on your back on sacred ground,
For belly scratches, a tender touch,
We loved you always, oh so much.

Chorus

Oh Rudi, our beautiful Blue Heeler girl,
You brought such light into our world.
Four perfect years, a precious time,
Your love, a melody, a gentle rhyme.
You're forever in our hearts, so deep,
Secrets of your memory we keep.

Verse 2

One special moment, I remember still,
After a fall, you climbed a gentle hill.
You came right by me, stayed close and near,
Your loving paw dispelled all fear.
You wouldn't leave me, not for a while,
Until I could rise with a grateful smile.

Chorus

Oh Rudi, our beautiful Blue Heeler girl,
You brought such light into our world.

Rudi's Gentle Paw (continued)

Four perfect years, a precious time,
Your love, a melody, a gentle rhyme.
You're forever in our hearts, so deep,
Secrets of your memory we keep.

Verse 3

Each sunrise brought a gentle paw,
A happy tail, a loving draw.
Your watchful eyes, so keen and bright,
Filled every corner with pure light.
You were our shadow, loyal and true,
In every moment, fresh and new.
A silent comfort, ever near,
Dispelling every doubt and fear.

Bridge

Now the door feels empty, quiet and gray,
Since you are no longer here to stay.
But Mummy and Daddy will see you again,
Sweetheart, we miss you, until then.
We love you, Rudi, always true,
Our hearts will always yearn for you.

Instrumental - acoustic guitar, piano

Final Chorus

Oh Rudi, our beautiful Blue Heeler girl,
You brought such light into our world.
Four perfect years, a precious time,
Your love, a melody, a gentle rhyme.
You're forever in our hearts, so deep,
Secrets of your memory we keep.

Outro

Now you are free from all pain, my dear,
Running in fields, with angels near.
In heaven's sunshine, you softly roam,
Sweet Rudi, you'll always be our home.
